Dear Parents and Families,

It seems hard to imagine, but a new school year is less than a month away from now! **Classes will start on August 21nd.** The PATHE staff is eager to start a new year.

Open house will take place on August 20st from 3-6:00. Please have your child bring all required paperwork and school supplies the first day of school. Some other important updates include:

- Please drop students off using the back parking lot at door 5. Students cannot be dropped off before 8:00 am and picked up no later than 2:30 pm.
- Provide your student with a water bottle daily as water fountains will only be available to fill water bottles. Students will be able to fill their water bottles at school.
- Conduct a student wellness check including temperature prior to sending a student to school. Students with temperatures of 100 degrees Fahrenheit or higher need to stay home.
- Pathe follows Bowling Green City schools for delays/closings. You will also follow your child's home school district, as well.

We have enclosed a **Program Handbook** with information about the PATHE program. Please take some time to read it and review it with your child. It will be important to keep this so that you can refer back to it when you have questions or need information and resources. There are **important phone numbers for transportation and administration, as well as the school calendar.**

Remember to **complete the school forms** included in this mailing and return them to school on the first day. We will copy this information for emergency folders and transportation staff.

Forms that need to be returned:
